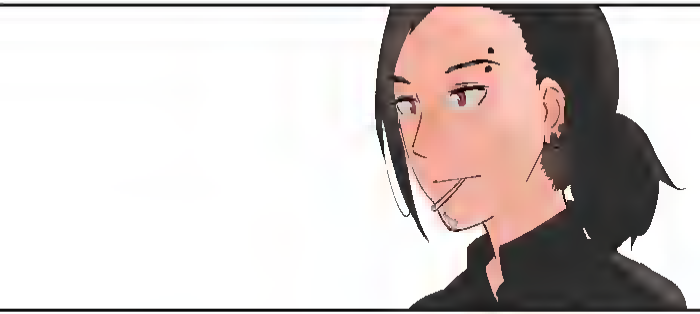
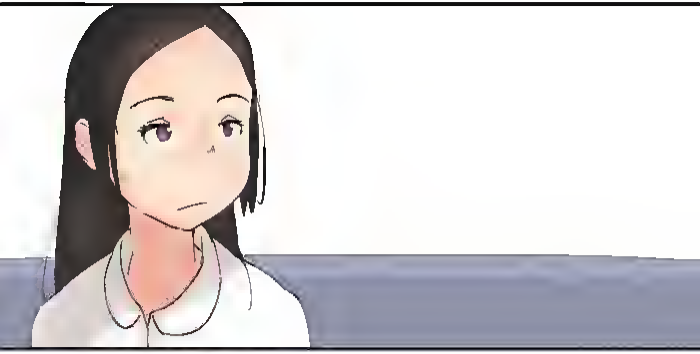
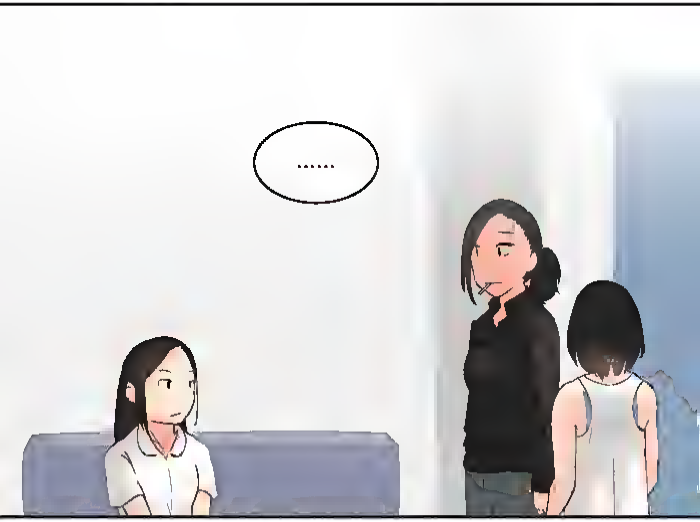
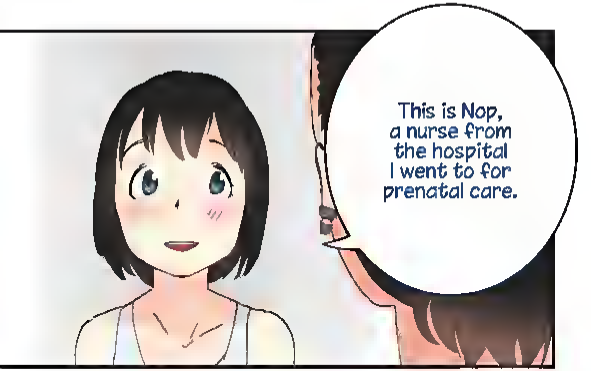
Hello.
Hi. I brought you something to eat.
U... Umm... Thank you. I really appreciate it.
Would you like to come in?



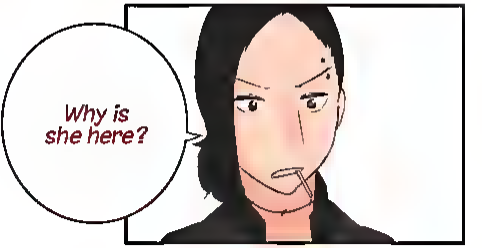




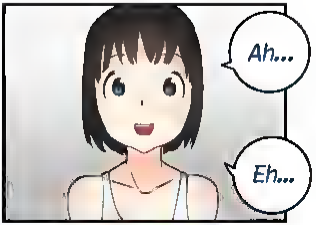
Who is she?



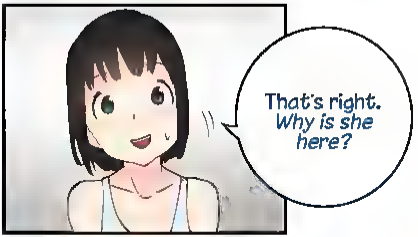
This is Nop, a nurse from the hospital I went to for prenatal care.



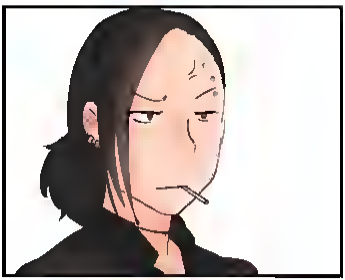
Why is she here?



Ah...
Eh...



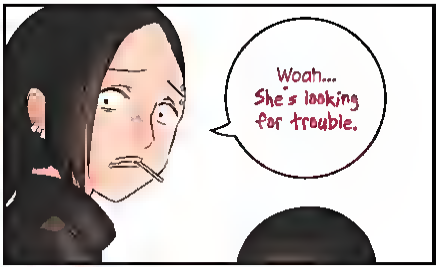
That's right.
Why is she
here?



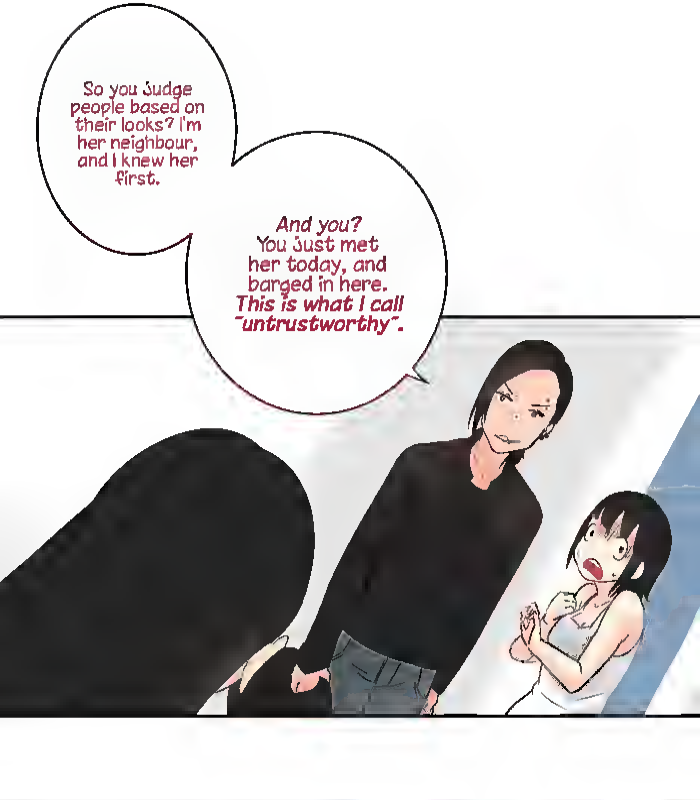
Didn't I tell you to not let people in here so easily?
Even if she is a nurse, she's still a stranger to you!
!

HEY!

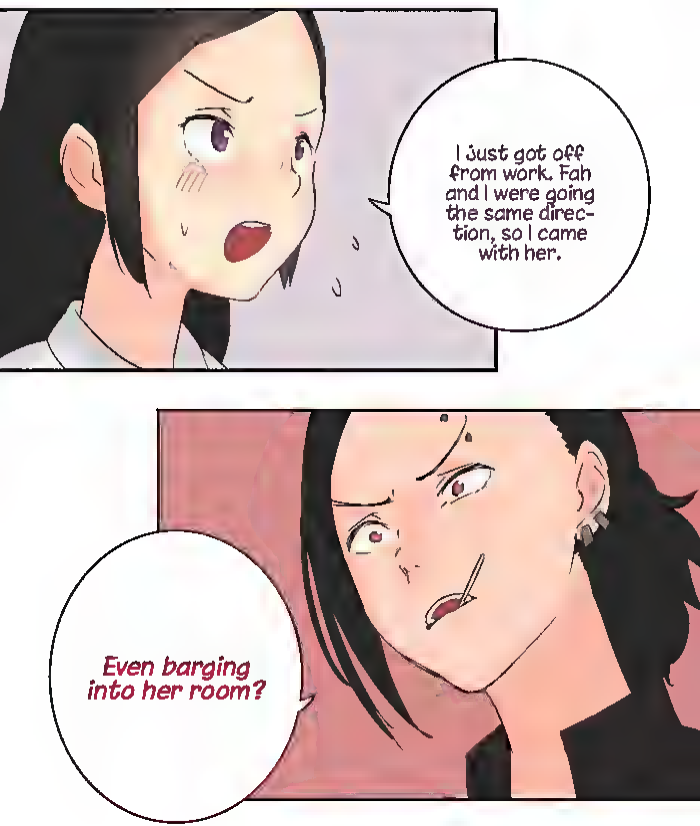
If anyone is untrust-worthy here, it's YOU.
Just look at you, with those piercings and that neck tattoo.



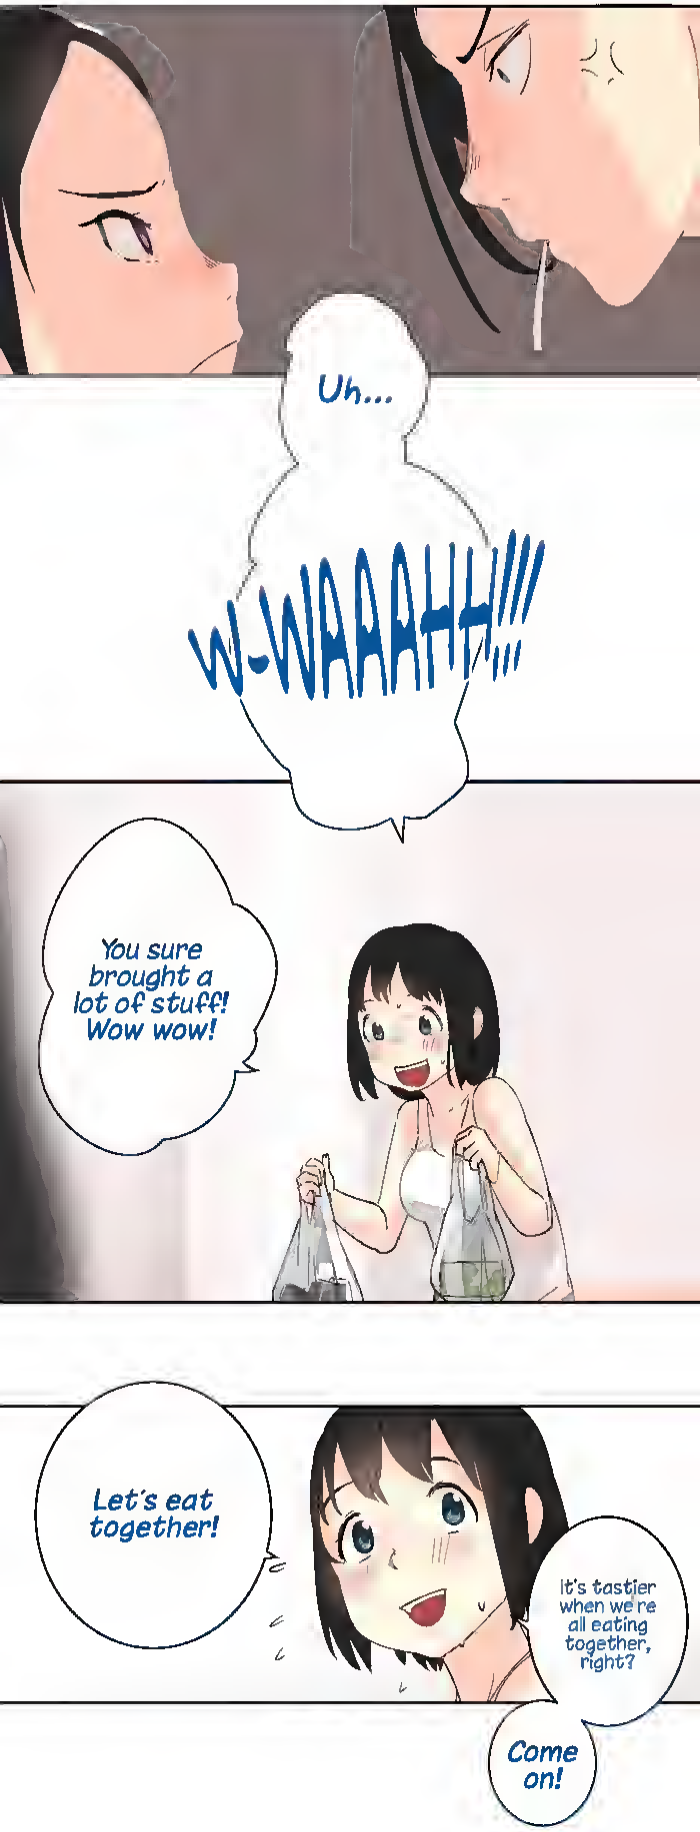
Woah... She's looking for trouble.



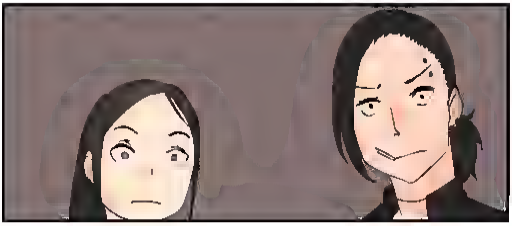
So you Judge people based on their looks? I'm her neighbour, and I knew her first.
And you? You Just met her today, and barged in here. This is what I call "untrustworthy".

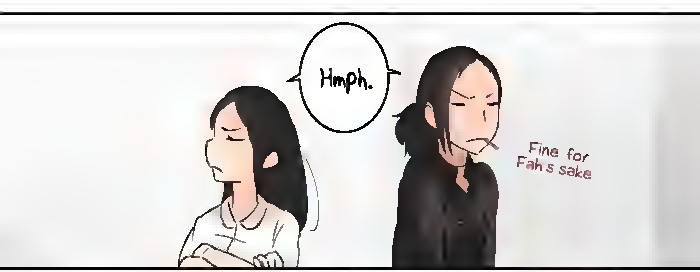


I just got off from work. Fah and I were going the same direction, so I came with her.
Even barging into her room?

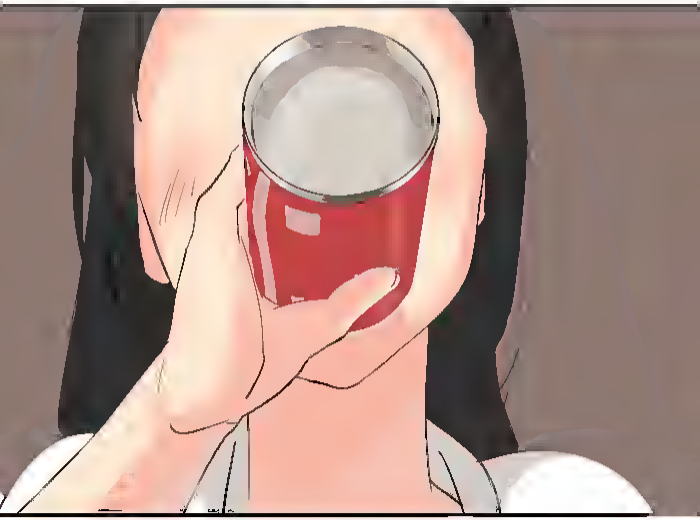


Uh...
W-WAAAHH!!!
You sure brought a lot of stuff! Wow wow!
Let's eat together!
It's tastier when we're all eating together, right?
Come on!

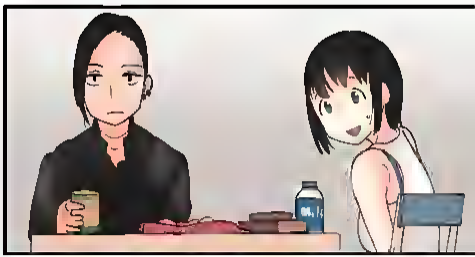


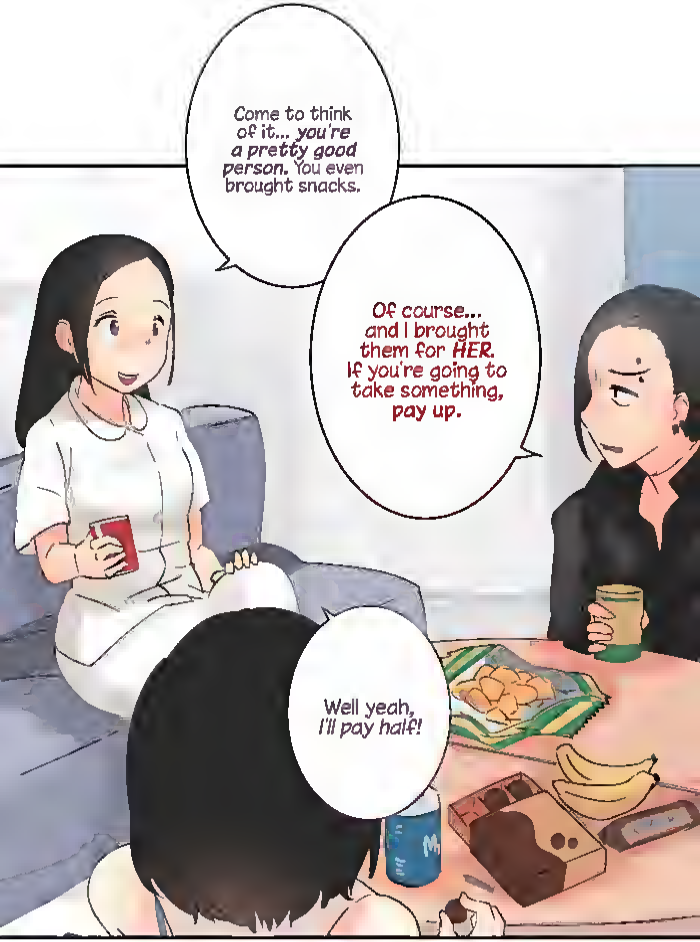


Hmph.
Fine for Fah's sake

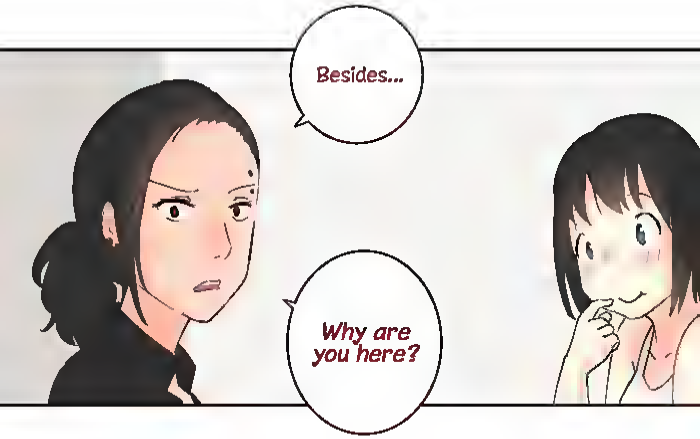


HAAA-
AAAAH!

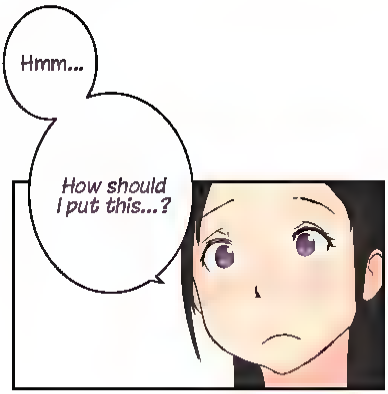




Come to think of it... you're a pretty good person. You even brought snacks.
Of course... and I brought them for HER. If you're going to take something, pay up.
Well yeah, I'll pay half!

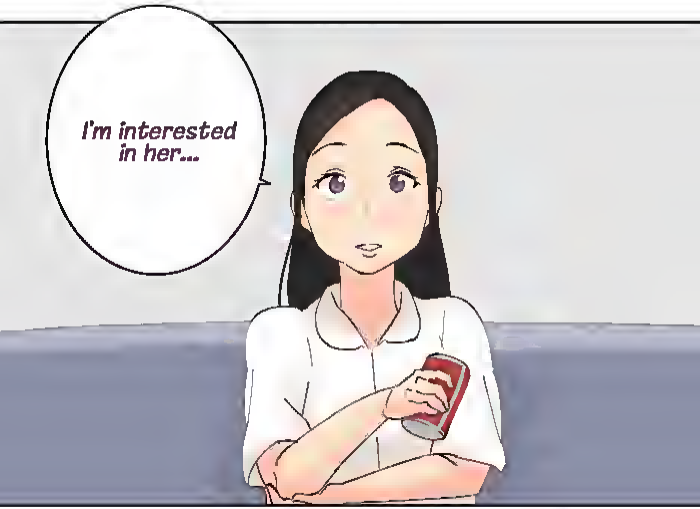


Besides...
Why are you here?

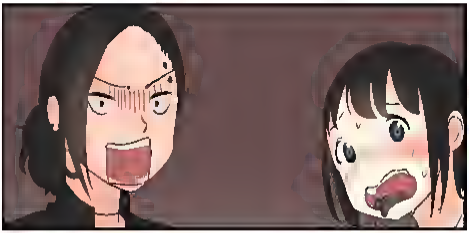


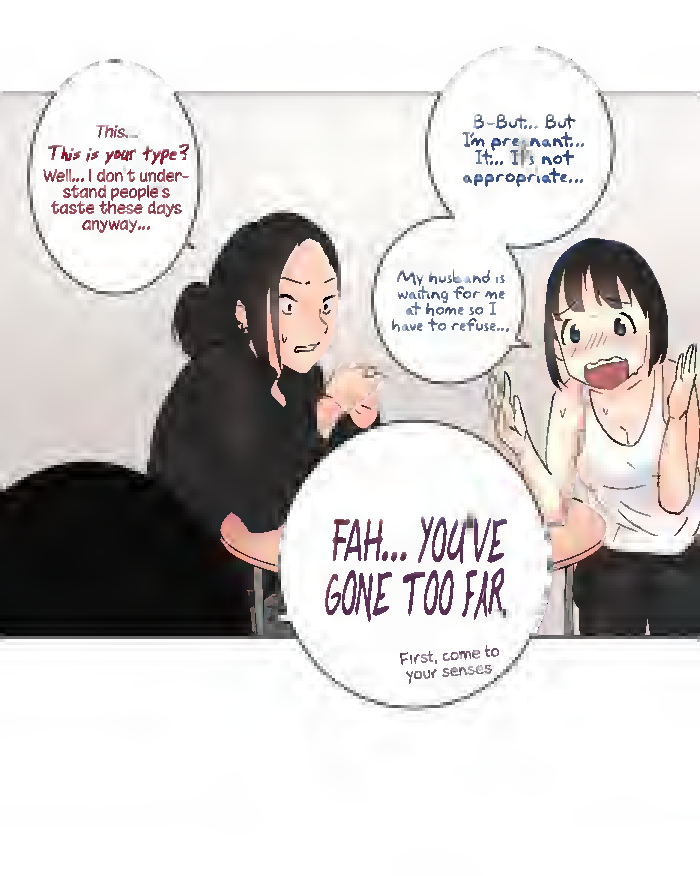
Hmm...
How should I put this...?

Umm...

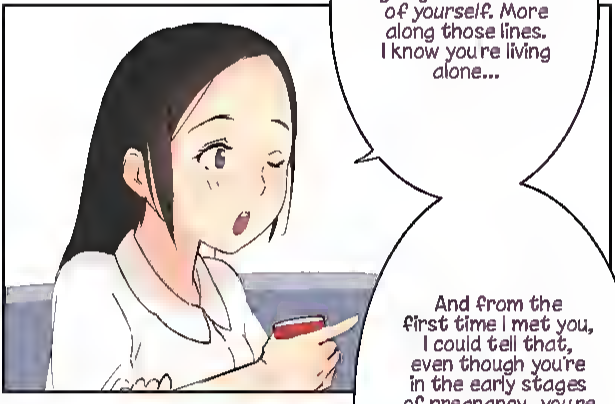


I'm interested in her...





This...
This is your type?
Well... I don't understand people's taste these days anyway...
B-But... But I'm pregnant.. It... It's not appropriate...
My husband is waiting for me at home so I have to refuse...
FAH... YOU'VE GONE TOO FAR
First, come to your senses



It's nothing like that. I'm not interested in you *that* way...
My interest in you is... *how you're going to take care of yourself.* More along those lines. I know you're living alone...
And from the first time I met you, I could tell that, even though you're in the early stages of pregnancy, *you're a strong-willed girl determined to face it head on.* Even if you're going about it the wrong way...
How should I put this...

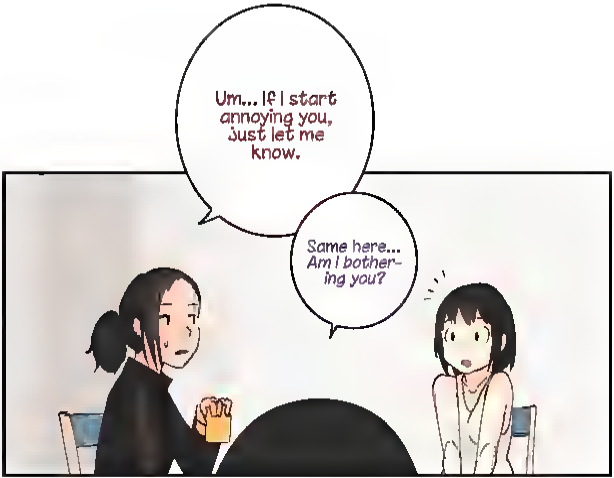
Even though you're still a teen, I can see this *motherly aura* around you, Fah.
I have no doubt you'll be a good mother!
I can feel it...
You can feel all that?
Jane, do you feel the same way?
Um... er... umm. Maybe.
Motherly aura?
Mom♥

To sum it up, *I want to help you out.*

You can't really stop me from helping you...

Umm... *I kinda feel the same.*

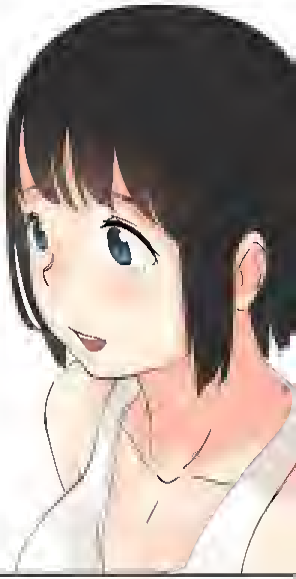
Ahaha... I feel like a patient who needs personal care.

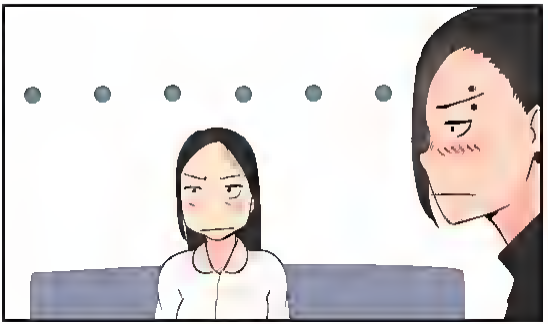


Um... If I start annoying you, just let me know.
Same here... Am I bothering you?

I just wasn't sure what my next step was going to be once I got here.

Then you two showed up and were so friendly. I feel a lot less anxious now.

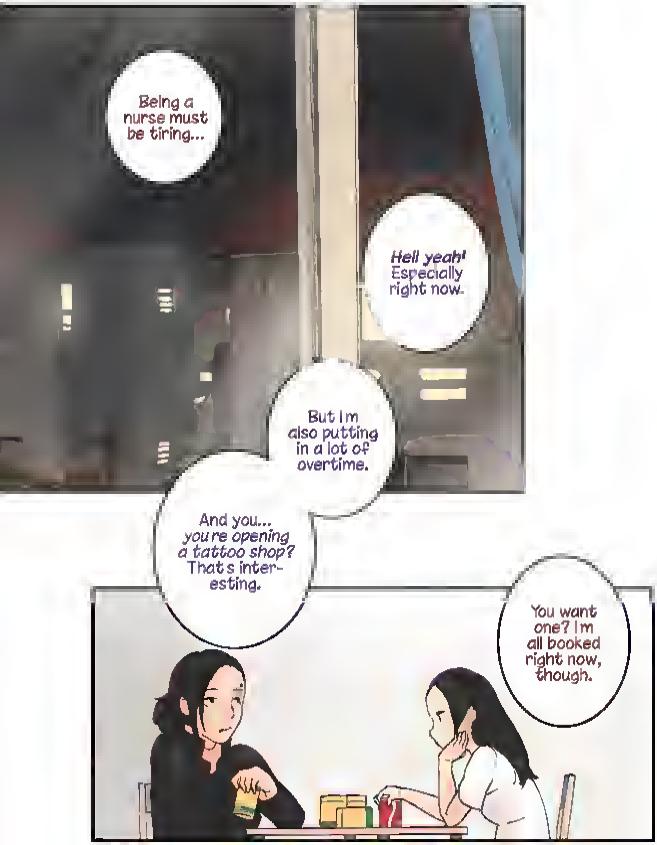




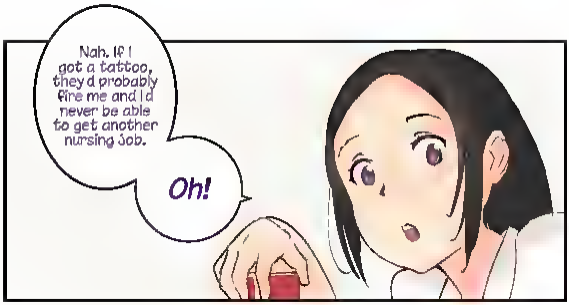
Then let's start talking about how you're going to take care of yourself and about what you'll need in your 4th month of pregnancy.

See, now you're being useful.

Then please watch over me.



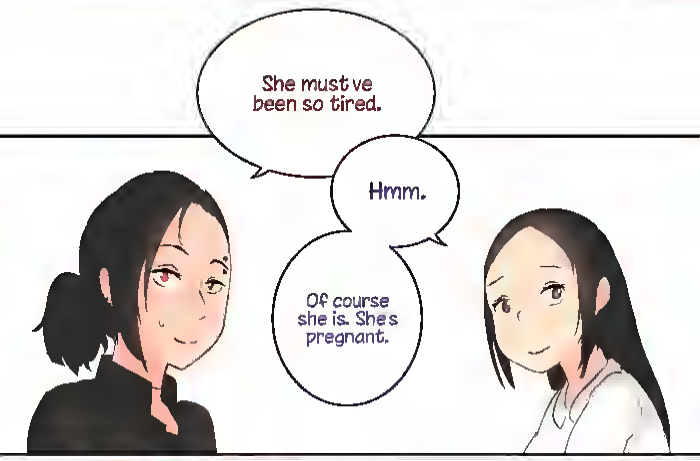
Being a nurse must be tiring...
Hell yeah! Especially right now.
But I'm also putting in a lot of overtime.
And you... you're opening a tattoo shop? That's interesting.
You want one? I'm all booked right now, though.



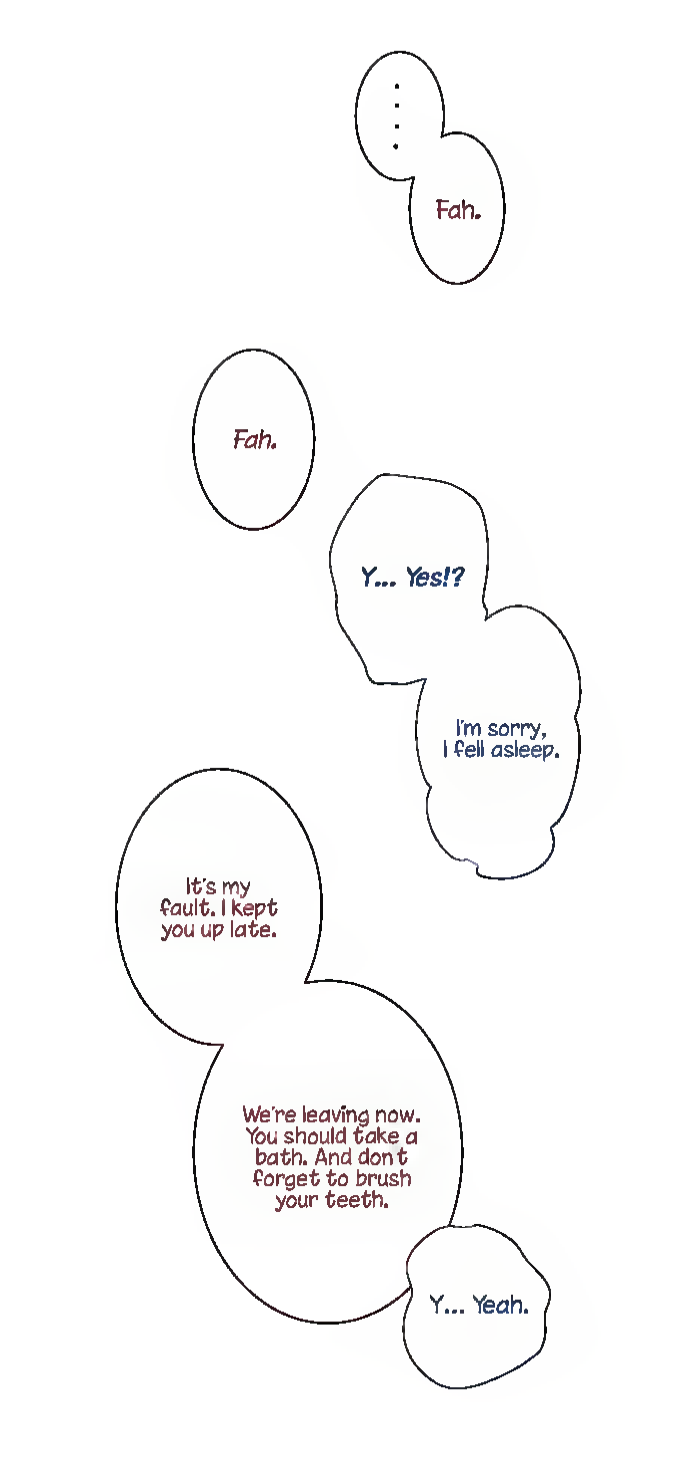
I think we're cutting into her rest time.

Yeah. We got carried away chit-chatting.

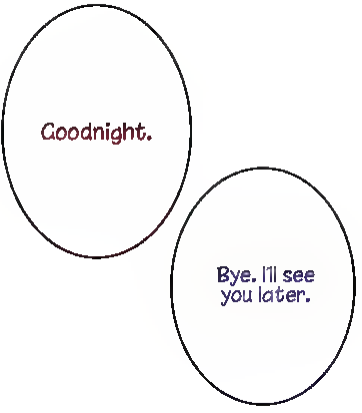
Time to go home.



She must've been so tired.
Hmm.
Of course she is. She's pregnant.

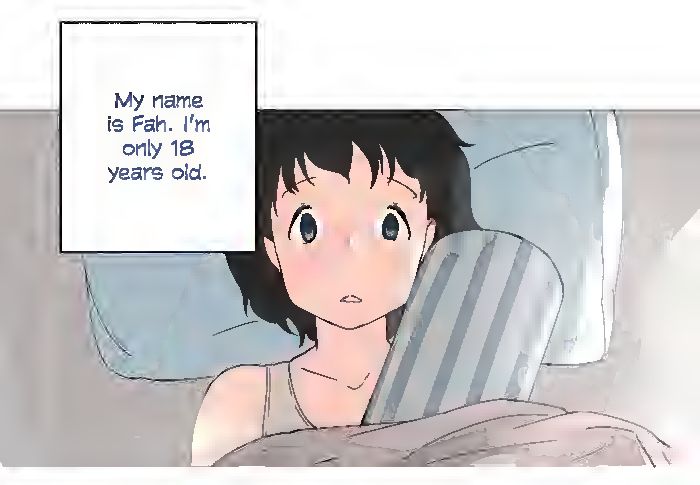


Fah.
Fah.
Y... Yes!?
I'm sorry, I fell asleep.
It's my fault. I kept you up late.
We're leaving now. You should take a bath. And don't forget to brush your teeth.
Y... Yeah.

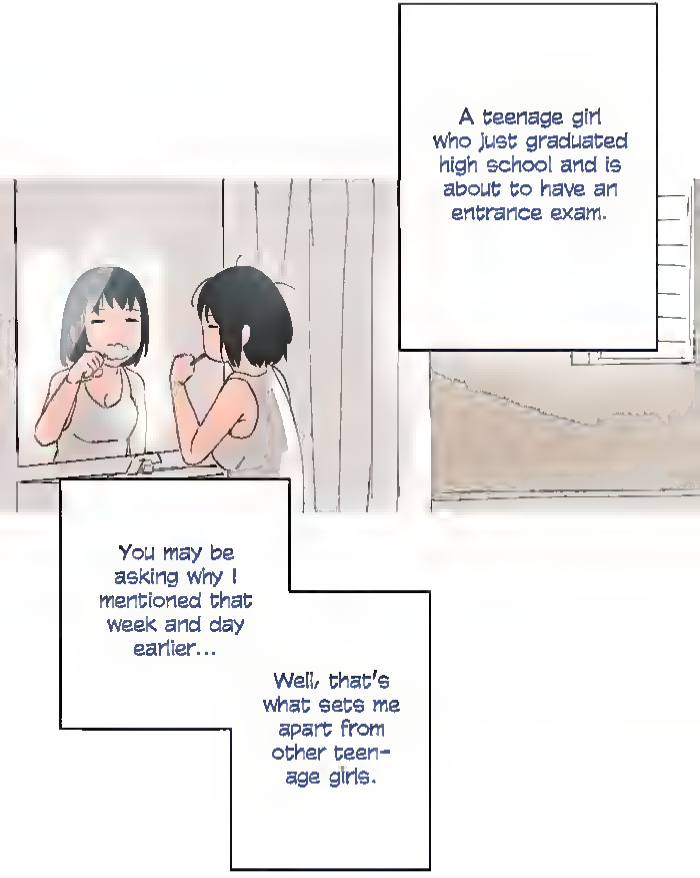


Goodnight.
Bye. I'll see you later.

10th week, Day 4



My name is Fah. I'm only 18 years old.



A teenage girl who just graduated high school and is about to have an entrance exam.
You may be asking why I mentioned that week and day earlier...
Well, that's what sets me apart from other teen-age girls.

That's how long I've been pregnant now.

Yeah... soon, I won't be a teenage girl anymore.

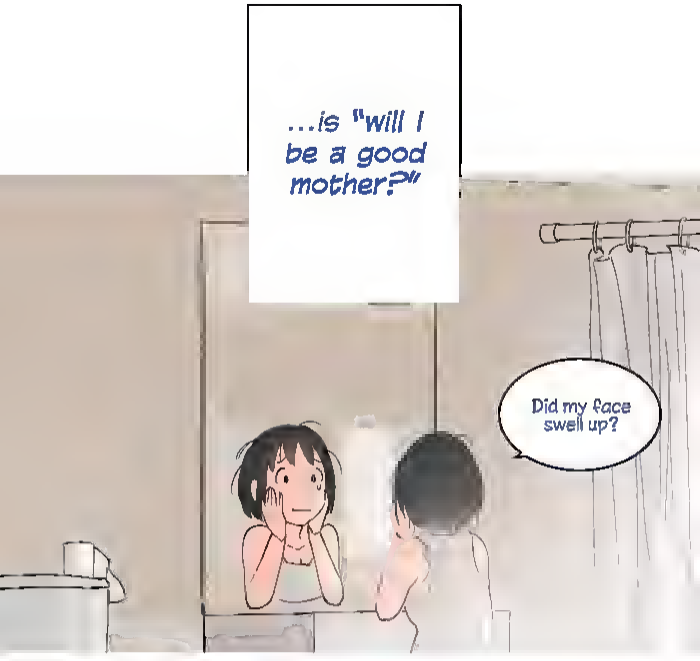
I'm going to be a MOM.

And while you may be trying to decide whether it's too soon or not,

I can't waste my time thinking about that.

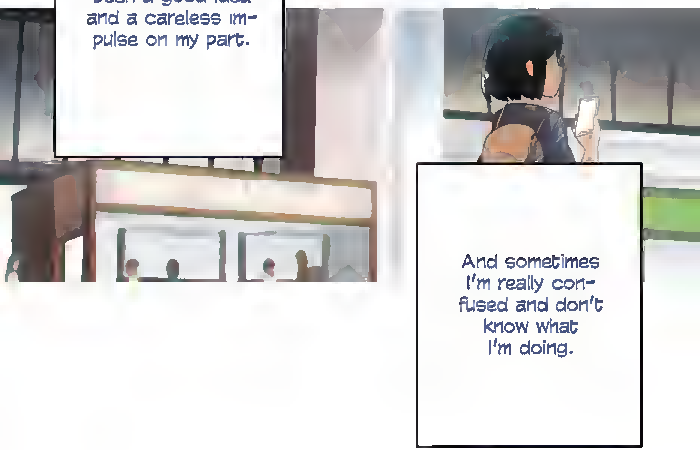
Right now, I've got something growing in my stomach.

The most important thing on my mind right now...



...is "will I be a good mother?"
Did my face swell up?

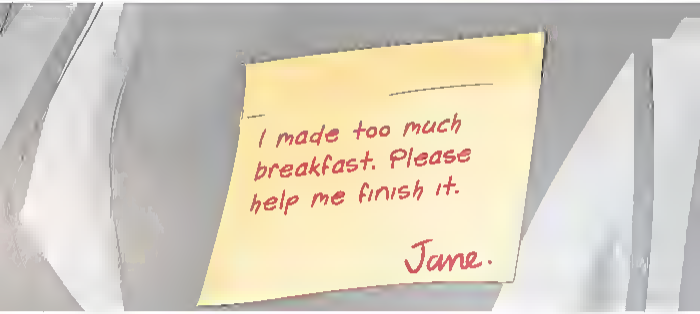
I just want to get through this on my own. I don't want to trouble anyone.
So that's why I moved here alone, to Bangkok.



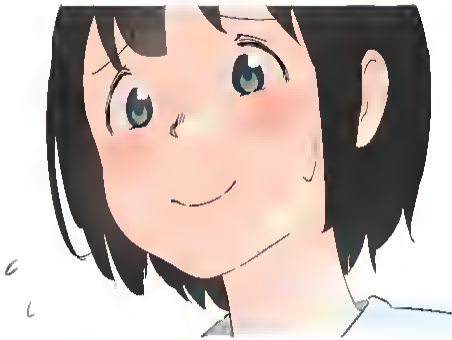
It might not have been a good idea and a careless impulse on my part.
And sometimes I'm really confused and don't know what I'm doing.

But right now,
I think I can
handle it all a
bit better

Come to think of it, considering everything that's happened recently, I'm...



I made too much breakfast. Please help me finish it.
Jane.



I'm pretty lucky, aren't I?

Wow, Jane. She doesn't look like the kind of person who makes break-fast.
